

REMARKS

Applicants respectfully request reconsideration in light of the following remarks. Applicants wish to thank Examiner Francis Jaworski for the time and courtesy afforded to Applicant's attorney during the telephone discussions on November 20, 2006 and December 12, 2005. Pursuant to those discussions, Applicant has amended the claims to specify that the claims relate to a human fetus and that the shape is an anatomic shape.

REQUEST FOR EXTENSION OF TIME

Applicants have previously requested a one-month extension of time to respond to the Office Action dated July 14, 2006. Applicants have also paid the required official fee of \$120.00 associated with the one-month extension of time. Applicants hereby request a second extension of time, to the extent that such an extension is deemed necessary, and encloses a PTO-2038 form for the amount of \$330.00 which is the difference between the official fee for a large entity for a two-month extension of time, less the \$120.00 previously paid for the first one-month extension of time requested in Applicant's response filed on November 14, 2006.

CONCLUSION

Applicants respectfully submit that all pending claims, as amended, are now in condition for allowance. If the Examiner has any questions or comments which may expedite the prosecution of this application, the Examiner is respectfully requested to contact Applicants' attorney at the telephone number set forth below.

Respectfully submitted,
